

# **Yacht Club Carnac Regatta**

## **27<sup>th</sup> to 30<sup>th</sup> May 2017**

In 2014 fourteen Enterprises joined a mixed fleet of Larks, Merlin Rockets, National 12s and Scorpions, totalling nearly 80 boats, to take part in the first International Championships held at Yacht Club Carnac over the Spring bank holiday weekend, with sailing taking place in what can only be described as "champagne" sailing conditions. Great food too!

We are very pleased to announce a repeat event in 2017 thanks to event organiser Tom Jeffcoate in conjunction with YC Carnac.
