

## 2018 National Committee Meeting Action Summary

1. Richard Pryke – to draft descriptions of the roles of committee members including Area Reps(to include additional or coordinating area fixtures), so that there is clarity for those considering taking on a role
2. Megan Ward – to include agenda item for next meeting – to check on actions from previous meeting
3. Nigel James will contact Chris Henderson with a view to him having training to become a full measurer.
4. Barry Moss will contact the RYU measurer at Hampton to discuss him receiving the information to also act as an Enterprise measurer
5. Barry Moss and the technical committee will look into whether the ISAF rules need amendment to reflect the removal of buoyancy checks from measurements. And will report back to next meeting.
6. Megan Ward – to liaise with Julie Moore so that she can receive initial email enquiries and forward those on.
7. Nigel James and Steve Orme will take action on role of Auditor. Either Nigel will take on Auditor role or Steve O will approach work colleague.
8. Mark Matthews will ask Darren Roach if he is willing to take on the role of Training Officer
9. Paul Young will gather in trophies so they can be valued and then insured.
10. Everyone to send articles to Richard Pryke for the Diary by 1/03/2018
11. PY is willing to update the trophy list for Handbook
